

Farbauswahlsystem SPIRIT 2.0 mit 1050 Farben

Farbfächer SPIRIT 2.0 - Farbharmonie für Architekturanwendungen

Das Farbauswahlsystem Spirit 2.0 besteht aus 1050 Farbtönen, die speziell für Wandfarben und Lacke entwickelt wurden. Auf jeder Seite befinden sich sieben Farben, angeordnet vom hellsten Wert bis zum sattesten Ton. Sanfte Pastelltöne, gedämpfte Zwischentöne und kräftige Kontrastfarben dienen der Inspiration, erleichtern dem professionellen Anwender die Farbplanung und unterstützen den Verbraucher bei der Farbauswahl. **Die Farben im Fächer sind nicht an einen Farbhersteller oder ein lizenzpflichtiges Farbsystem gebunden und können frei verwendet werden.**

Color selection system SPIRIT 2.0 with 1050 colors

Color fan SPIRIT 2.0 - Color harmony for architectural applications

The Spirit 2.0 color selection system consists of 1050 shades specially developed for wall paints and lacquers. On each page there are seven colors, arranged from the brightest value to the richest tone. Gentle pastel shades, subdued muted tones and strong contrasting colors provide inspiration, facilitate the color planning for the professional user and help the consumer with the color selection. **The colors in the fan are not bound to a color manufacturer or a licensed color system and can be used freely.**
